This schedule sets forth conditions, rates, fees and charges applicable to Savings, Checking, Certificate Accounts, Individual Retirement Accounts (IRA's), Coverdell Education Savings Accounts (CESA's) and Health Savings Accounts (HSA's) at Granite Federal Credit Union. The credit union may offer other rates and fees or amend those contained herein. Each account holder agrees to the terms set forth herein and acknowledges that it is part of the Membership and Account Agreement. For terms on member business accounts, please see the Business Rate and Fee Schedule.

| Savings \& Checking Accounts |  |  |  |  |  |  |  |

****18 month certificates available to Alumni members (age 55+) at the 24 month rate published above.

## TRUTH-IN-SAVINGS DISCLOSURE

Except as specifically described, the following disclosures apply to all accounts. All accounts described in this Truth-in-Savings Disclosure are share accounts.

1. Rate Information. The Dividend Rate and Annual Percentage Yield (APY) on your accounts are set forth herein. Dividends are paid only on accounts where the primary owner has a valid TIN (SSN, ITIN, EIN). For all accounts (except Saving Certificates) the Dividend Rate, Bonus Rate and APY may change at any time as determined by the Credit

Union's Board of Directors. The Money Market Savings and Dividend+ are tiered-rate accounts. The Dividend+ Spend Account is a tiered-rate account with the possibility of earning a tiered bonus dividend applied to a Money Market Account. The Dividend Rate, Bonus Rate and APY applicable to the Money Market Savings and Dividend+ accounts depend on the balance ranges set forth herein. Once a balance range is met, the Dividend Rate, Bonus Rate and APY for that range will apply to the full balance of your account. For Savings Certificate accounts, the Dividend Rate and APY are fixed for the term of the account. A withdrawal of dividends will reduce earnings.
2. Nature of Dividends. For Share Savings, Money Market Savings, Dividend+ and IRA accounts, dividends are paid from current income and available earnings after required transfers to reserves at the end of a dividend period. The Dividend Rate, Bonus Rate and APY set forth herein are accurate as of the Effective Date and is the rate that the credit union anticipates paying for the applicable dividend period.
3. Compounding \& Crediting. The Dividend Period is the period of time at the end of which an account earns dividend credit. Dividends for all accounts will be compounded and credited monthly. The Dividend Period for all accounts begins on the first calendar day (effective date) of the month (or the open date during the first month) and ends on the last calendar day (effective date) of the month.
4. Accrual of Dividends. For all accounts, dividends will begin to accrue on cash and noncash deposits on the day the credit union receives provisional credit. Dividends will begin to accrue on electronic direct deposits on the calendar day (effective date) we receive the deposit. If you close an account before accrued dividends are credited, accrued dividends will not be paid.
5. Balance Information. To open any account, you must deposit or already have on deposit at least the par value of one full share in a Share Account. The minimum balance required to open each account is set forth herein. For Share Savings, Dividend+, Money Market, IRA, and Savings Certificate accounts, the minimum daily balance required to obtain the stated APY is set forth herein. If the minimum balance is not met (except on specified promotional accounts), you will not earn the stated APY. For all accounts, dividends are calculated by the daily balance method, which applies a daily periodic rate to the principal in the account each day.
6. Savings Certificate Account Features.
a. Account Limitations After your account is opened, you may not make additional deposits except to First Step, Home Buyer, and specified promotional savings certificate accounts. For First Step and Home Buyer Certificate accounts, you must choose a monthly amount ( $\$ 10.00$ minimum for First Step and $\$ 25$ minimum for Home Buyer) to be automatically transferred from another Granite CU account. Additional deposits are limited to $\$ 10,000$ each calendar month. On the crediting date, you may elect to have dividends transferred automatically to another Granite CU account. Each member is limited to $\$ 100,000$ in any one or combination of First Step and/or Home Buyer Savings Certificates.

| FEE SCHEDULE |  |  |  |  |

Granite Credit Union<br>(801) 288-3000<br>www.granite.org

b. Maturity. Your Savings Certificate account will mature on the maturity date set forth on your Account Receipt or Renewal Notice.
c. Early Withdrawal Penalty. We will impose a penalty if you withdraw any of the principal balance before the maturity date.
(1) Amount of Penalty For all Savings Certificate accounts, the amount of the early withdrawal penalty is based on the term of your account. The penalty schedule is as follows:
i. Terms of less than twelve (12) months - ninety days (90) days of dividends;
ii. Terms of twelve (12) to forty-seven (47) months - (180) days of dividends;
iii. Terms of forty-eight (48) months or more - (365) days of dividends;
(2) How the Penalty Works. The penalty is calculated as a forfeiture of part of the dividend that has been or would be earned on the amount withdrawn. It applies whether or not the dividend has been earned. If the account has not yet earned enough dividends or if the dividend has already been paid, the penalty will be deducted from the principal.
(3) Exceptions to Early Withdrawal Penalties. We may pay the account before maturity without imposing an early withdrawal penalty under the following circumstances:
i. When an account owner dies or is determined legally incompetent by a court or other body of competent jurisdiction.
ii. Where the account is an Individual Retirement Account (IRA) and any portion is paid within seven (7) days after establishment, provided that the depositor forfeits an amount of at least equal to the dividend earned in the amount withdrawn.
iii. The account is a Traditional IRA and the amount being withdrawn is during the year the IRA owner turns age seventy-three (73) or any year thereafter and is for the owner's Required Minimum Distribution (RMD). iv. Where the account is a Home Buyer Savings Certificate and the amount being withdrawn is used toward the purchase of a home.
d. Renewal Policy. Savings Certificate accounts are automatically renewable accounts. Your account will automatically renew for another term upon maturity, and you have a grace period of ten (10) days after maturity in which to withdraw funds in the account without being charged an early withdrawal penalty. From time to time, the credit union may offer Savings Certificates at special rates or with special features. These "Special Offerings" are renewable as regular Savings Certificates. You may elect not to have your Savings Certificate account renew at any time.
e. Nontransferable/Nonnegotiable. Your account is nontransferable and nonnegotiable. The funds in your account may not be pledged to secure any obligation without our prior written consent.
